Tuesday, April 10, 2012 (All Day) & Wednesday, April 11, 2012 (A.M.)	Parkview Primary (275-2333)
Thursday, April 12, 2012	Stalker (275-4821)
Wednesday, April 18, 2012	St. Vincent (279-2540)

Parents should call the school to make an appointment prior to the screening date. On the day of the screening, parents should bring the child, the child's birth certificate and immunization records, and proof of custody (if applicable).

Children must be 5 years old on or before August 1, 2012.

The Lawrence County Health Dept will be available at all kindergarten roundups to vaccinate your child. This service will be available for children with no insurance, those with insurance that does **not** cover vaccines, and children with Medicaid. If children have Medicaid, they will need to provide their Medicaid card.

Children with insurance that covers vaccines are encouraged to set up an appointment with their physician. The state funded Vaccine for Children Program will no longer allow us to vaccinate children who are fully covered by insurance and the health dept is currently not set up to bill insurance.
