

BNL SUMMER SCHOOL

EARN UP TO 2 CREDITS FOR FREE!!

REGISTRATION WILL OPEN TUESDAY APRIL 6TH

BNL Summer Learning welcomes you to be a part of our 2021 Summer School Session! Students are eligible to earn up to two credits this session - This is a great time to earn credits. Students may take classes to clear your schedule for electives, credit recovery classes, or just simply get ahead on graduation requirements. BNL Summer Learning is FREE to all learners, current and incoming BNL High School students. All course offerings are tentative, as we are required to have a minimum student number for each course. Students may take a max of two credit hours. **Students will not be permitted to take both semesters of Algebra 1, Algebra 2, or Geometry in the same summer session.*

BNL Summer School is a seven week session; Monday June 7th through Friday July 23rd. Summer School will take place on our Plato online platform, with instruction from BNL Teachers. Students will receive communication from their course instructors, sharing with them their online platform login information, a course briefing, and course timeline details. Students will need to log in regularly to complete assignments each week, working to complete by Friday July 23rd. All students that register for a course are required to complete the BNL Summer School course Final Exam in a VIRTUAL Session - scheduled for THURSDAY July 22nd.

Chromebooks: All BNL Summer Learners will keep their Chromebooks to use during summer school.
