Painting Parking Spaces Guidelines

If you would like to paint your parking space in the student lot of BNL High School, we encourage you to do so! However, there are some rules you must follow when you paint your parking space.

1. Inappropriate language or pictures will not be permitted.
2. No paint within 3 inches of the parking space numbers or yellow lines.
3. The only name permitted on a parking space is that of the person that has been issued the space.
