

WHAT IS THE FAFSA?

The **Free Application for Federal Student Aid (FAFSA)** is a form students complete to determine their eligibility for federal, state and institutional financial aid.

Filing the FAFSA can help make the cost of post-high school education and training programs manageable by providing access to financial aid. You can benefit from education after high school because it helps open doors to the career and life you want.

How do I file?

To file the 2023-2024 FAFSA, students and families must use **2021 federal tax information**. The FAFSA can be completed in two ways:

- At studentaid.gov
- On the paper application

Filing online is recommended when possible, and the FAFSA is free!

When do I file the FAFSA?

Indiana students should file a FAFSA between **October 1** and **April 15** of their senior year of high school and each year they plan to attend college.

Some institutions have FAFSA deadlines that fall before the state deadline of April 15, so students should check with their college or university to verify their deadline.

What do I need to file?

- ✓ An FSA ID for student and parent (can be created at [FAFSA.gov](https://fafsa.gov))
- ✓ Student and parent Social Security Numbers (or alien registration numbers)
- ✓ Parent and student 2021 tax records, records of assets, and untaxed income
- ✓ List of schools to which you wish to send your FAFSA information (up to 10 online)

ECONOMIC METRICS BY EDUCATION LEVEL
