

OOLITIC CAMPUS

September
2022

Dear Oolitic Families,

We are off to a great start! It is hard to believe that it is September already! I am pleased to share with you that our students have come in ready to learn and have settled into the daily routines. As I walked through the halls, I observed relationship building, practicing and establishing PBIS behavior expectations, and so much more! Our goal is to provide the best education possible for your child.

Thank you for all of your support as we have had a successful beginning of the 2022-2023 school year. As always, we wish to express our sincere gratitude toward our entire school community. We would not be the amazing school that we are without the help and support of all of you.

Sincerely,
Kelli Terrell
